

Circleville Downtown Business Association

KIDS & BADGES

To Whom It May Concern:

The Circleville Downtown Business Association would like to extend an invitation to members of the local churches as well as students and faculty of the area schools to participate in a first ever **KIDS & BADGES!** Children of all ages would be given the opportunity to meet and learn more about their local service departments and their members.

Members of the local Fire, Police, Sheriff and State Highway Patrol departments have been invited to participate. In addition to interacting with service members, children will be given the opportunity to see the inside of the vehicles and meet K-9 units! The ELKS will be providing free hot dogs and drinks to children and to adults for a small fee. This event will take place **SATURDAY SEPTEMBER 24TH, 2011 10am-2pm** in the ELKS and Savings Bank Parking lot, on the corner of Pinckney and N. Court Streets.

This event is an excellent educational opportunity for all ages, and your participation would be greatly appreciated! If interested, please contact Nicole Bretthauer (740-420-6309) for further details.
